POKERACADEMY

An unforgettable team event

ONLINE POKER NIGHT

Just for fun or with challenging team-building components: Invite your team to an online poker night and experience playful moments together, without any risk.

Texas Hold'em is the easiest poker game to learn. It is fun, exciting and entertaining, and even absolute beginners can win against the pros in one evening. No-Limit Hold'em Poker is currently the most played game in the world.

Draft schedule

17:30h

Online preparation on your preferred platform (Zoom/Teams/Webex etc.)

18:00h

Online arrival of the participants, playful introduction, poker explanation, Q+A

18:30h

Transfer to the online poker platform and first gambling rounds. The game will be stopped regularly and all questions will be answered.

19:00h

Start tournament «Las Vegas Poker Challenge»

ca. 21:00h

End of the tournament and award ceremony, the players can continue playing, if they want.

General conditions

- No previous knowledge necessary
- max. 10 players per poker table, the number of participants is not limited
- Time requirement: 1-4 hours, extension possible
- Languages: English, German, French, Italian

Price

CHF 950.00 per table of 10 persons
Poker coach and game explanation included

CHF 1650.00 per table of 10 persons
Workshop with «Business-Poker» content

- Exercise for self-reflection
- Using Poker strategies in the daily (business) life
- Groupwork in breakout-rooms, presentation of the self-reflected learnings, discussion

Your guests will experience an unforgettable and educational event with our highly trained poker coaches. At the end of the tournament, a small prize can be sent to the best player.

A few days before the event, the players will receive the poker game explanation in the language of their choice via e-mail. If a «Business-Poker» workshop is held, the participants will receive additional tasks for preparation, which will be worked on and presented at the workshop.

We work with the principle «heart - brain - hand».

The PokerAcademy has been organizing exclusive events for companies and private groups for over fifteen years and since mid-2020 also online. Over 30 poker trainers regularly provide the best service for our customers.
